Dear Governor Musgrove:

Please commute Tracy Hansen's sentence to life, and please call a moratorium as the Governors of Illinois and Maryland have done.

There are many problems in the world today. I believe that these problems can be solved with spiritual solutions. "Violence only begets violence", but mercy covers a multitude of sins.

Our hearts and prayers go out to all of Mississippi at this time with the situation at WorldCom. The needs of the many far outweigh the needs of the few greedy bankers who are so willing to lend in good times, but who are so merciless when times are bad.

Hang tough! Good Friday comes before Easter Sunday.

Sincerely,

Matt Dunnigan
